

Women Cell

Minutes

In view of the ongoing Covid-19 circumstances and due to lockdown our cell was unable to execute the monthly activities but still we managed to conduct some online webinars and guest lectures. On July 3, 2021 a webinar was organized by the Women cell on '**Virginity, Society, Marriage & Medical view**' in collaboration with Ramakrishna Bajaj Agriculture College, Acharya Shrimannarayan Polytechnic and Rural Institute Pipri on July 3, 2020. Dr. Indrajit Khandekar, Professor & Head of the Dept, Forensic Medicine & Toxicology, Mahatma Gandhi Institute of Medical Sciences, Sewagram was the distinguished speaker on the occasion. There were 207 participants in the webinar. The webinar was organized on zoom platform and you tube live streaming.

When the regular offline classes for the students began from December 1, 2021 an essay competition was organized for them on '**Life before and after covid pandemic**' on February 8, 2021 where they shared their diverse experiences. The total participants in the competition were 102.

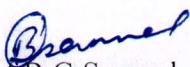

Making the students' realize the importance of blood donation, an awareness programme on blood donation was organized on Feb 9, 2021. Ms Rozalin Mary Nitin Palikar, MSc Nursing student of Kasturba Nursing College, Sewagram guided the students on the occasion. Total 97 students attended the programme.

To evaluate the students' critical thinking and reasoning a book review competition was held on Feb, 16 2021. There were 42 participants in the competition.

A webinar was organized on the special occasion of 'International Women's Day' on '**Social changes during lockdown**'. Total 64 students attended the webinar. Eminent counselors from Chetna Vikas Kendra, Mrs Sujata Lohkare and Mrs Sandhyatai Satpute were the guest speakers.

An online guidance programme on "**Covid Symptoms and its timely treatment**" was organized in collaboration with Mahatma Gandhi Institute of Medical Sciences, Sewagram on June 2, 2021. Dr. Arjun Kumar was the expert guide. *Total 77 students attended the programme.*

Even during the pandemic and the subsequent outcomes the women cell manifested zeal and enthusiasm and persisted in putting forth efforts for the overall development of the students by organizing various programmes.
