**Best Practice**

**1. Title : Village Development Scheme**

**2. Objective:**

1. To initiate the process of development among villagers.
2. To always stay connected to villages
3. To address rural issues with subject matter specialist
4. To develop sense of social responsibility among students

**3. The context:**

This program is named as 'Amcha Goan Amcha Vikas' organised by various department in villages in the college service area. The objective of this program is to stay connected with the villages with students and address rural issues by powering subject matter specialists. As we always deals with rural students and rural peoples there are many issues regarding their farm earnings, health and daily life stress. So we address these issues of priority such as farm related problems and stress in daily life. Suicides in Agrarian community are a major issue in our region.

**4. Practice:**

Suicides in Agrarian community are a major issue in our region. So our institute design various village development programs which deals with farm related and improvement of life quality.

**1. Meditation and Importance of 'Geeta' for Stress Free Life:-**

This Program is organized from 26<sup>th</sup> to 28<sup>th</sup> December 2021 at village Pandharkawda. The Subject Expert was Smt. Mala Mathur

**2. Pre-Sowing Operations, Crop Protection and Livestock Care:-**

This Program is organized on date 4<sup>th</sup> of May 2022 in village Pandharkawda. The Subject Matter Specialists were Dr. Pravin Chauhan, Dr. Dipak Mohale and Shri. Vaibhav Giri.

**3. Technology for the Cultivation and Crop Protection of Soybean:**

This Program is organized on date 23<sup>rd</sup> of May 2022 at village Ganeshpur. The Subject Matter Specialists was Dr. Amol Zape.

**4. Technology for the Cultivation and Crop Protection of Soybean:**

This Program is organized on date 24<sup>th</sup> of May 2022 at village Pandharkawda. The Subject Matter Specialists were Dr. Akash Lewade, Dr. Pravin Chauhan and Dr. Dipak Mohale.

**5. Evidence of Success:**

The program is well organized and rural peoples and the agrarian community was pre-informed, so many peoples were present for the program at evening hours. The rurals discuss their problems and take guidance from the subject matter experts. All the communication with subject matter experts and geo-tagged photographs are maintained with college.

6. **Problems encountered:** There is block in farmers mind to attend such programs. The timing of all farmers doesn't match due this reasons the activity was suffered to some extent.

7. **Resources required:** The main recourse required for this program is Subject Matter Expert (Specialists).
