Objective of the practice: To impart knowledge and skills about cultivation of different vegetables and Fruits in kitchen garden

The context: Kitchen garden is a place where vegetable and Fruits are grown around the house for household use. If the vegetables are available at house, housewife can easily utilize it in their daily diet and save their money also. Most of our students are from rural community and they have farming background. Therefore, students can get knowledge and skills about cultivation of different vegetables in kitchen garden and can utilize it at their home.

The Practice : Under kitchen garden activity, different vegetables like *Chawadi* (Cowpeas), *Gawar* (Cluster beans), *Bhendi* (Ladies finger), *Wangi* (Brinjal), *Mirachi* (Chilli), *Kakadi* (Cucumber), *Lawaki* (Bottle gourd), *Dodaka* (Ridge gourd), *Kothimbir* (Coriander), *Methi* (Fenugreek), *Palak* (Spinach), grown on small area of college premises. The students were actively involved in all practices of vegetable cultivation such as seed bed preparation, sowing, fertilizer application, irrigation, weeding, spraying, harvesting, selling vegetables etc. The students got hands on experience about vegetable cultivation in kitchen garden. This activity was started to provide knowledge and hands on experience to the students about vegetable cultivation in kitchen garden and also to identify the constraints regarding kitchen garden.

Evidence of success: The 2nd and 3rd year students participated in this activity. It was new and applicable experience to the students at their home. Community Development and Extension department also generated revenue of amount Rs. 860/- for college from the selling of vegetables.

Problems encountered and Resources Required: The vegetables like *Palak*, *Methi*, *Gawar*, *Lawaki*, were suffered due to high rainfall. *Chilli* and *Brinjal* were suffered from pest infestation. During examination period, the activity was suffered to some extent.

Students used the resources available such as handy implements such spade, hand hoe, Sickle, Ghamela, watering pipe, vegetable seeds, etc.

Notes: Students sell all the produced vegetables. Revenue of amount Rs. 860/- generated for college from the sell of vegetables.

This practice is continue from 2016-2017 to 2022-23 (till date). Students use this knowledge and skill at their home and prepare kitchen garden
