2.3 TEACHING-LEARNING PROCESS

2.3.1 Students Use ICT tools

The students use ICT tools to present their study topics. Presentations using ICT tools offer a valuable learning experience to the students by promoting deeper understanding, improving communication skills, time management skills. It gives them the opportunity to learn the integration of various multimedia elements, enhancing the visual appeal and engagement of the presentation. Students learn to personalize their presentations and showcase their creativity which ultimately boots their confidence.

Students use ICT, Language Lab, for language improvement.
