e-Governance report
2021-22

e-Governance is being used in college for facilitating college activities in efficient, faster and keeping soft copies for further use. College has its own website to avail college information for its stake holders on one click. The purpose of e-governance is to bring transparency and efficiency in the areas of Administration, Finance and Accounts, Student Admission and Support and Examination. As well as this will help in reducing paper work and better utilization of human resources. The college is tried to provide digital services to students through internet with the speed of 100 mbps, three classrooms ICT enabled, two smart boards, language lab software, NRC, library e-resources, N-list, library automation software-softlib, Mater Soft ERP Solution, Tally ERP-9. College provided computer and internet facility to Teaching and non-teaching staff.
