

Annual Gender Sensitisation Action Plan

The college is very much alert about the safety and security of the girls students. The college has prepared the following Annual Gender Sensitization Action Plan to protect the girl's students from various types of illicit activities. The Action Plan is as below -

- Administration is very much alert and create awareness about girls' safety and security among all the girls students and women teaching and non-teaching staff.
- The college has a Counselling Cell through which counselling are given to the girls students and women teaching and non-teaching staff regarding the physical and mental health issues.
- Provision of Girls and Boys common rooms equipped with all necessary facilities.
- The Counselling Cell also provides the counselling regarding the pre and post-marriage behaviour and health related issues.

As a part of Action Plan of Women Development Cell to make the girls child students stand at their own feet, the Cell provides the Entrepreneur Developing Skills by arranging a various types of entrepreneur activities
